As a registered health Promotion charity, we foster better health and well being for all men providing shedders with a safe and busy environment for manual arts (woodwork, metal works, welding, mechanical repairs, furniture restoration model building), basic computer courses and social events to further the bonds of friendship. A chat and cuppa are always on offer

The Joondalup Men's Shed welcomes the opportunities to mentor youth and encourages applications from people living with disabilities, provided they are able to participate safely in shed activities and accompanied with carer for the purpose.
