COMMUNITY PROJECT

ASSISTANCE REQUIRED

The Joondalup Men's Shed has recently commenced a Community Project to renovate and re-build a flatbed truck from an old shell found in a paddock back to a roadworthy truck to be used by the men at the shed to pick up and deliver items for renovation from members of the public.

As the Joondalup Men's Shed is totally funded from members subscriptions and the odd grant we may receive for a specific purpose, we depend on the generosity of the community to help out with projects such as this one.

We are looking for Donations or Grants that will assist in this project as there is a lot of work to be done and quite a few expenses, which far outweigh the capacity of the shed to pay for so we would be very grateful for any assistance you can provide.

We intend to go from this:

To This:

NOTE: All donations are Tax Deductable
