SUMMARY OF JOONDALUP MEN'S SHED RULES & PROCEDURES

Following is a brief summary of things you **must** know and understand to gain maximum benefit from the JMS.

JMS Standard Operating Procedures (SOPs) provide a comprehensive reference to all matters surrounding the operation of the JMS and are available at the shed for perusal.

We hope you enjoy the JMS and welcome your input and ideas.

Administrative Matters

- 1) The JMS is an incorporated body bound by the Acts Incorporations Act and Regulations (1987)
- 2) The JMS has an Executive Committee consisting of a President, Vice President, Treasurer and Secretary. There is also a Shed Manager and several other non-executive committee members.
- 3) All decisions and representations related to the running of the JMS **MUST** be approved by the JMS Committee.
- 4) No person should seek or accept gifts or donations or make statements (oral or written) on behalf of the JMS unless that person is a member of the Executive Committee or has received prior approval from the JMS executive.
- 5) Protocols and procedures exist for all administrative matters and must be adhered to in the interest of professionalism. (Please check the SOPs if in doubt.)

Conduct of Shedders

- 6) All Shedders are expected to abide by reasonable standards of conduct and must not bring discredit to the shed. You are expected to: **not** smoke, **not** drink alcohol, **not** take illicit drugs, **not** act inappropriately around visitors and **not** bully others or show disrespect.

Emergency Procedures

- 7) Contingency plans are outlined in the SOPs for such things as fire, bomb threats, chemical spills, gas leaks and dangerous intruders. Evacuation routes are posted on notice boards. You are expected to familiarise yourself with emergency procedures and comply with the directions of the Shed Supervisor.

Housekeeping

- 8) All Shedders are expected to assist in maintaining the shed in a safe, clean and tidy condition; to wash cups and other utensils; to empty rubbish and keep appliances such as 'fridges, microwaves etc. clean.

Please do not expect others to clean up after you!

Personal Projects

- 9) Shedders (your Mentee) are encouraged to work on personal projects but permission must first be obtained from the Shed Supervisor or JMS Committee to ensure such projects do not disrupt others or the Shed's operation.
- 10) Shedders (your Mentee) are expected to supply their own materials for personal projects. Where JMS materials are used, these must be replenished or paid for. Please discuss this with the Shed Supervisor.
- 11) As a Mentor Member, you are **not permitted** to work on personal projects at the JMS.

Safety and Security

- 12) The Shed Supervisor's word is law in all matters relating to safety and security. Grievance procedures exist under the JMS Constitution. If you don't agree with a decision you may discuss concerns with a JMS Committee member.
- 13) Appropriate clothing and footwear must be worn in the shed; this includes close-toed shoes (preferably steel caps if you have them) and no loose clothing that may get caught in machinery.
- 14) Appropriate safety equipment must be worn for the particular task being undertaken. Stop and assess what you need before commencing work. (Eye protection, ear muffs, welding helmet, gloves, facemask, aprons etc.).
- 15) Before using dangerous equipment you must have passed the JMS accreditation process.
- 16) To enter workshop areas, every shedder must be a financial member and have undergone the JMS Basic Induction Process as a minimum requirement.
- 17) Name badges **MUST** be worn at all times when in the shed.
- 18) On entering the shed, shedders and visitors must sign the register at reception and sign out when leaving. This is essential for your security and safety.
- 19) On finishing work, clean and put away tools, turn off machinery, remove rubbish and debris and sweep up. Do not leave materials or unfinished projects to clutter up the work area.

Remember to take time to browse through the full list of protocols and procedures. This document is entitled "Standard Operating Procedures for the Joondalup Men's Shed (Inc.)".
